Policies with amounts increasing according to length of service are issued.

FIRM HAS 100 ON PAYROLL

Benefits will be paid in case of death or disability says employer.

Insurance policies covering every employee of the firm for from \$100 to \$1,000 according to length of service have been taken out by the Vandever Dry Goods company. After two years' service with the firm the policy is changed to \$1,500 and after three years the amount of the policy from then on is \$2,000. The insurance applies to all employees regardless of sex, age, or position with the company and all expenses are paid by the firm.

A. Vandever, who handled the insurance for the firm said yesterday that it was the same plan of group insurance that is carried by the World for its employees.

Damages of \$5,000 were asked in a suit in district court yesterday by A. P. Coatney, who was a plaintiff in the suit, against R. Robinson, the defendant, by malicious prosecution in the courts, to have damaged his reputation to that extent.

Robinson, after cashing a check presented by Coatney, which later was proven a forgery, caused the latter's arrest and confinement in the county jail for a period of 24 hours before bond was furnished by Coatney. At the preliminary hearing yesterday afternoon before Justice J. C. Maxey, the case against Coatney was dismissed for lack of evidence, and the suit was immediately instituted by Coatney.

Ex-Lieutenant Reserves Paddington.

NORMAN, Sept. 25.—Liberal doses of padding have been necessary to convince a few members of the University of Oklahoma freshman class they should wear red caps. The padding is done on the campus by a squad of 30 freshman volunteers whenever one of the number appears without proper headgear. One former army lieutenant to date has been the most obstinate objector.

Fiume Controversy Settled as Far as Peace Conference Is Concerned

Figures indicate Fiume and adjacent territory involved in settlement of Fiume situation.

The Fiume controversy, which has had the peace conference for months, has at last been settled, apparently, as far as the conference is concerned. The settlement is in the nature of a compromise. The delegates' plan has been sent to President Wilson for approval. He is to receive the plan in brief.

Fiume becomes a free city with the harbor an international port; Italy, Austria, and Croatia will obtain most of the Dalmatian Islands. Italy will probably keep a few of the outlying ones for strategic purposes.

The country comes under Italian sovereignty, together with the sun-baked region of the south.

It is to receive the mandate for all of Albania except the southern part, called Northern Epirus, which is given to Greece.

Greece becomes a free city with the harbor an international port.
